

LAPLAND

FESTIVE FINALE
MANUAL

As the Lapland adventure comes to an end, we put on a night to remember in our Festive Finale!

A busy evening with a packed schedule full of activities. Please be aware that some Festive Finales will take place in the hotel, whilst others will be in external venues. If your hotel takes place in an external venue please think about coach entertainment en route! -

Suggested running order:

- **Live Cabaret**
 - You will welcome your guests with a special Christmas Cabaret to accompany their Christmas dinner. This will be a cabaret you prepare in advance and needs to be as christmassy as possible.
 - A visit from Bob Sleigh or Candy Cane might also happen as the guests enter for their meal.
- **Captain T's Crazy Christmas Finale**
 - A special edition of the nightly disco format.
- **Christmas Show – Jingle Bell Rock**
 - A 3/4 or 5 person show featuring the characters of Boots, Noelle and Holly and some of the Christmas songs we all know and love.
 - After the show has concluded it's time to venture outside to finish the night in style with some **fireworks**.
- **Festive Disco**
 - What better way to say goodbye to Lapland than dancing the night away to some Christmas Classics.
